### 1. Choosing a team leader · 9 puan

Lale and Duru are classmates. Lale is taller than Duru, but Duru runs faster. Lale listens carefully and stays calm when there is a problem. The team chooses Lale as its leader because she helps everyone speak and does not get angry easily.

**Who runs faster? Why does the team choose Lale as its leader? Give two personality-related details from the text.**

Örnek yanıt

Duru runs faster. The team chooses Lale because she listens/helpfully lets everyone speak and stays calm/does not get angry easily.

- Fiziksel karşılaştırma ile liderlik gerekçesini ayır.
- Lale'nin sakinlik ve dinleme davranışlarından iki ayrı kanıt seç.

Dikkat: Lale'nin uzun boyunu lider seçilmesinin gerekçesi saymak.

### 2. The twins are different · 12 puan

The twins, Eren and Emre, have short brown hair. Eren enjoys meeting new people, while Emre prefers a small group of close friends. Eren often forgets where he puts his things. Emre keeps his desk tidy, so Eren asks him to organise their project materials.

**State one similarity and two differences between the twins. Explain why Eren asks Emre to organise the materials.**

Örnek yanıt

Both have short brown hair. Eren is more outgoing; Emre prefers a small group. Emre is more organised than Eren. Eren asks Emre because Emre keeps things tidy.

- Ortak dış görünüşü bul.
- Sosyalite ve düzen bakımından iki ayrı farkı belirt.
- İstenen yardımın gerekçesini metin davranışıyla açıkla.

Dikkat: İkiz oldukları için bütün özelliklerinin aynı olduğunu varsaymak.

**3. Compare two fictional pupils · 18 puan**

Maya: 150 cm; always checks her homework; enjoys quiet reading.

Leo: 158 cm; sometimes forgets homework; enjoys meeting new people.

**Write a three-sentence comparison of Maya and Leo. Compare their height, homework habits and preferred social activities. Use at least two comparative forms.**

Örnek yanıt

Leo is taller than Maya. Maya is more careful about homework than Leo. Leo enjoys meeting people, while Maya prefers quiet reading.

- Boy ve ödev davranışı için uygun comparative yapısı seç.
- Sosyal etkinlik farkını yargı eklemekten yaz.

Dikkat: Maya is more taller gibi çift karşılaştırma kurmak.

**4. A poster about two friends · 17 puan**

Asya: 12 years old; 145 cm; tells funny stories; plans tasks early.

Nil: 13 years old; 149 cm; listens patiently; often starts tasks at the last minute.

**Write four sentences comparing these fictional friends. Include age, height and two personality or work-habit comparisons. Use “than” at least twice.**

Örnek yanıt

Nil is older than Asya. Nil is taller than Asya. Asya is more organised than Nil. Asya enjoys telling funny stories, while Nil is a patient listener.

- Yaş ve boy sayılarının yönünü doğru oku.
- Kişilik ve çalışma alışkanlığını verilen davranışlara dayanarak karşılaştır.

Dikkat: Sabırlı dinlemeyi daha az arkadaş canlısı olmak şeklinde temelsiz yorumlamak.

**5. Training after rain · 9 puan**

The school football team trains outdoors on Tuesdays and Thursdays. When the field is too wet, the team practises passing in the sports hall. Players never wear outdoor boots in the hall because they can damage its floor.

**It is Thursday and the field is very wet. Where will the team train, and what will it practise? Why must players change their boots?**

Örnek yanıt

They will train in the sports hall and practise passing. Outdoor boots can damage the floor.

- Normal programı yağmur koşuluyla birlikte değerlendir.
- Bot yasağının gerekçesini metinden çıkar.

Dikkat: Perşembe olduğu için hava koşulunu yok sayıp dış saha yanıtı vermek.

**6. A runner's routine · 9 puan**

Rana runs on Monday, Wednesday and Saturday. She rests on the other days. Before each run, she walks slowly and does gentle movements. She does not start fast because she wants to warm up first. Her goal is to finish a five-kilometre race, not to beat a particular person.

**How many days a week does Rana run? Why does she start slowly? What is her race goal?**

Örnek yanıt

She runs three days a week. She starts slowly to warm up. Her goal is to finish a five-kilometre race.

- Üç antrenman gününü say.
- Hazırlık amacı ile yarış hedefini ayrı cevapla.

Dikkat: Hedefi yarışı birinci bitirmek sanmak.

**7. Two sports clubs · 9 puan**

Swimming club: Monday and Friday, 16.00–17.00, pool. Beginners are welcome. Bring a swimming cap.

Table tennis club: Tuesday, 16.00–17.00, sports hall. The club provides bats. All levels are welcome.

Bora is free only on Tuesday after school and has no sports equipment.

**Which club can Bora attend? Give two details that support your answer.**

Örnek yanıt

He can attend table tennis. It meets on Tuesday, when he is free, and the club provides bats.

- Bora'nın serbest gününü kulüp günleriyle eşleştir.
- Ekipman eksikliğinin hangi kulüpte sorun olmadığını belirle.

Dikkat: Yüzme kulübünün yeni başlayanlara açık olmasını zaman engelinden daha belirleyici saymak.

**8. A fictional athlete's week · 17 puan**

Deniz's weekly routine: breakfast every day; cycling on three days; swimming on no days; stretching after every cycling session.

**Write a short paragraph of four sentences about Deniz. Use "always", "sometimes" and "never" appropriately. Include all four activities.**

Örnek yanıt

Deniz always has breakfast. Deniz sometimes cycles. Deniz never swims. Deniz always stretches after cycling.

- Every day/after every session için always, no days için never kullan.
- Üç gün yapılan etkinlik için sometimes kullanıp paragrafı tamamla.

Dikkat: Never doesn't swim biçiminde çift olumsuzluk kurmak.
