1. Choosing a team leader · 9 puan

Lale and Duru are classmates. Lale is taller than Duru, but Duru runs faster. Lale listens carefully and stays calm when there is a problem. The team chooses Lale as its leader because she helps everyone speak and does not get angry easily.

Who runs faster? Why does the team choose Lale as its leader? Give two personality-related details from the text.

2. The twins are different · 12 puan

The twins, Eren and Emre, have short brown hair. Eren enjoys meeting new people, while Emre prefers a small group of close friends. Eren often forgets where he puts his things. Emre keeps his desk tidy, so Eren asks him to organise their project materials.

State one similarity and two differences between the twins. Explain why Eren asks Emre to organise the materials.

3. Compare two fictional pupils · 18 puan

Maya: 150 cm; always checks her homework; enjoys quiet reading.

Leo: 158 cm; sometimes forgets homework; enjoys meeting new people.

Write a three-sentence comparison of Maya and Leo. Compare their height, homework habits and preferred social activities. Use at least two comparative forms.

4. A poster about two friends · 17 puan

Asya: 12 years old; 145 cm; tells funny stories; plans tasks early.

Nil: 13 years old; 149 cm; listens patiently; often starts tasks at the last minute.

Write four sentences comparing these fictional friends. Include age, height and two personality or work-habit comparisons. Use “than” at least twice.

5. Training after rain · 9 puan

The school football team trains outdoors on Tuesdays and Thursdays. When the field is too wet, the team practises passing in the sports hall. Players never wear outdoor boots in the hall because they can damage its floor.

It is Thursday and the field is very wet. Where will the team train, and what will it practise? Why must players change their boots?

6. A runner's routine · 9 puan

Rana runs on Monday, Wednesday and Saturday. She rests on the other days. Before each run, she walks slowly and does gentle movements. She does not start fast because she wants to warm up first. Her goal is to finish a five-kilometre race, not to beat a particular person.

How many days a week does Rana run? Why does she start slowly? What is her race goal?

7. Two sports clubs · 9 puan

Swimming club: Monday and Friday, 16.00-17.00, pool. Beginners are welcome. Bring a swimming cap.

Table tennis club: Tuesday, 16.00-17.00, sports hall. The club provides bats. All levels are welcome.

Bora is free only on Tuesday after school and has no sports equipment.

Which club can Bora attend? Give two details that support your answer.

8. A fictional athlete's week · 17 puan

Deniz's weekly routine: breakfast every day; cycling on three days; swimming on no days; stretching after every cycling session.

Write a short paragraph of four sentences about Deniz. Use "always", "sometimes" and "never" appropriately. Include all four activities.
