1. What would each listener choose? · 30 puan

Iris: "When I study, words in a song pull my attention away. I prefer a steady, quiet sound without a singer."

Leo: "For a celebration, I want a strong beat that makes people move. Quiet background music would not create the atmosphere I want."

Available playlists: acoustic songs with vocals; calm instrumental music; energetic dance music.

Choose the most suitable playlist for Iris and for Leo. For each person, explain your inference with two clues from the comment.

Örnek yanıt

Iris would choose calm instrumental music because she wants no singer/words and a quiet steady sound. Leo would choose energetic dance music because he wants a strong beat and music that makes people move at a celebration.

- Sözsüzlük/sakinlik ipuçlarını Iris'in ihtiyacıyla eşleştir.
- Güçlü ritim/hareket ipuçlarını Leo'nun tercihiyle eşleştir.

Dikkat: Iris'in her durumda bütün şarkılardan nefret ettiği gibi aşırı genelleme yapmak.

2. Find the sentence that breaks the description · 18 puan

(1) Melis is the person our class asks to organise shared tasks. (2) She keeps a clear list and checks that nobody has been left out. (3) When plans change, she stays calm and suggests a new order. (4) The first commercial radio broadcasts began many decades ago. (5) Her patience and careful planning help the group finish its work.

Which sentence is irrelevant to this description? Explain why it does not belong, and state the shared focus of the remaining sentences.

Örnek yanıt

Sentence 4 is irrelevant. It gives information about radio history rather than Melis's character or teamwork. The other sentences describe her organisation, calmness and helpful role in a group.

- Her cümlelerin Melis'in kişilik/ekip rolünü geliştirip geliştirmediğini kontrol et.
- Radyo tarihi bilgisinin konuyla bağını bulamadığını açıkla.

Dikkat: 3. cümlede plan değiştiği için konu değiştiğini sanmak.

3. An opinion essay about friendship · 52 puan

A school magazine asks: “Which two qualities matter most in a good friend, and why?” You may write your own view or argue from a fictional writer’s perspective. Do not name real friends or reveal private experiences.

Write a short opinion essay of 90–110 words. State your view, develop two qualities in separate supporting sections with a reason and an example for each, consider one possible objection or limit, and end with a conclusion. The examples may be fictional.

Örnek yanıt

Example: I believe honesty and respect are two essential qualities in a good friend. Honesty builds trust because people need reliable information. For example, a friend can admit forgetting an agreed task instead of inventing an excuse. Respect is equally important because friends may have different interests. A respectful friend can accept someone’s decision not to join an activity. Some people worry that honesty always hurts, but truthful comments can be expressed kindly. Friendship does not require agreement on everything. In conclusion, friends strengthen their relationship when they tell the truth with care and respect each other’s choices.

- Her niteliği ayrı gerekçe ve hayalî örnekle geliştir.
- Bir itiraz/sınırı tartışıp görüşünü sonuçta toparla.

Dikkat: İki niteliği sadece listeleyip gerekçe ve örnek vermemek.
